***Native Title and Heritage Protection- Agreement Signed and Clearances Obtained***

Valdera has signed a Native Title and Heritage Protection Agreement with the Kimberley Land Council (KLC). This agreement sets out the protocols under which Valdera and the KLC will cooperate in arranging Heritage Impact Assessments or Work Clearance Surveys, as may be required in the conduct of the Company's exploration activities in the Kimberley.

Pursuant to the agreement, Work Clearance Surveys have been successfully completed in the past week at the Bow River and Corkwood prospects, paving the way for drilling to commence on schedule within three weeks.

Yours faithfully

Craig Burton  
Executive Director
